

FOCUS OF THE 2018-2019 SCHOOL IMPROVEMENT PLAN (SIPSAW)

THE CORE PRIORITIES FOR IMPLEMENTATION BY SCHOOL ADMINISTRATORS AND TEAMS

School Name: Cadarackque PS

Principal: R. Cousins

LITERACY

The What:

- ongoing opportunities to receive and act upon descriptive feedback based on co-constructed learning goals & success criteria
- more opportunities to learn new vocabulary and practice more reading and writing in English (ESL specifically)

The How:

- use of interactive literacy & numeracy walls to make learning visible and accessible to all students
- exploring the regular integration of the achievement chart categories into assessment practices
- CEFR - fluency level inspired whole school continuum and assessment practices for developing oral French language and fluency
- continued study and use of the assessment loop

NUMERACY

The What:

- estimating (reasonable answers), algebraic reasoning, spatial sense, problem solving strategies, computational strategies
- communicating mathematical thinking using math vocabulary, tools and representations across conversations, observations and products

The How:

- develop understanding of computational vs. problem solving strategies (primary?)
- continued study and use of the assessment loop
- exploring the regular integration of the achievement chart categories into assessment practices

EQUITY AND INCLUSION

Equity and inclusion focus in support of literacy goal

proportional learning outcomes for identified in risk students with a focus of students who are on IEP, racialized male black students (FI or Regular Stream Focus), ESL students

Equity and inclusion focus in support of numeracy goal

-girls in Grade 3 and 6 (2018) identified by using April PRIME Number and Operations data. This identified group showed very little growth and a very low starting point (phase 2 in Grade 6, for example). This trend has been observed across multiple Grades in both FI and English Programs.
